Don't Let *This* Happen to Your Hemlocks!

You can save them if you take action soon.

Attend a **free Hemlock Clinic** sponsored by the Benton MacKaye Trail Association and Save Georgia's Hemlocks for information on:

- What's threatening our Hemlocks
- How you can treat your own trees for the lowest possible cost
- Qualified local professionals who can help you for reasonable rates

Saturday, February 6
Presentation 2 - 4 p.m.
Facilitator Training 4 - 6 p.m.
At the Tellico Plains Community Center

INFO: Call Rick Harris at 423-253-6358
